2E. Comments/questions on the recommendations for **Zoning:**

2F. Comments/questions on the recommendations for **Vacant and/or Dilapidated Housing:**

2G. Comments/questions on the recommendations for **Strengthening Neighborhoods:**

3. **Other Comments/Questions?** Enforce the present laws and look at easier ways to punish tennants. We already have obligation to register rental properties and inspections. If any new laws are to be implemented it should be laws to help us inforce rental tennant guidlines and fines against bad tennants. Heavier fines against Land lords and obligation by land lords to control tennants are not needed!
