A list of certified businesses can be viewed on the City's website:

www.cedar-rapids.org/government/departments/purchasing

Please allow up to 10 days for processing of the certificate before the business is listed.

4. Will the local preference policy be applied to all purchases for goods and services?

No, the following types of purchases are excluded:

- a. Purchases subject to the competitive laws of the State of Iowa
- b. Purchases subject to federal, state or county grant stipulations
- c. Purchases from the State of Iowa or other national contracts
- d. Sole source purchases

Please send questions via email to buylocal@cedar-rapids.org

6. If I work out of my home, and my home is in Linn County, am I eligible to become a certified local business?

In order to qualify as local business your business must pay commercial property taxes related to the business being certified as local business. Residential property taxes paid for a home business do not qualify for the buy local certification.

7. How does the Buy Local Program work?

Preference shall be applied to acceptable quotes, bids and proposals greater than \$1,000 from businesses within Linn County, Iowa who have submitted a notarized “Local Business Certificate”.

Example A: Preference shall be given in the procurement of goods and/or services by bid or quote when a local Contractor’s bid or quote exceeds the acceptable low bid by no more than:

10% for bids less than \$25,000

5% for bids equal to or greater than \$25,000 but less than \$200,000

1% for bids equal to or greater than \$200,000

Bid Tabulation for a 20’ Enclosed Trailer			
	Contractor A	Contractor B	Contractor C
	Marion, IA	Des Moines, IA	Davenport, IA
BID PRICE	\$ 15,147.99	\$ 14,770.55	\$ 18,250.00

- This bid is less than \$25,000 so the preference is 10%
- Contractor B submitted the lowest bid of \$14,770.55
- Contractor B is not a local business
- Contractor A submitted the next lowest bid of \$15,147.99
- Contractor A is a certified local business
- $\$15,147.99 - \$14,770.55 = \$377.44 / 14,770.55 = 2.56\%$
- The difference between the two bids is 2.56% which is within 10% so the local preference applies
