

Update to Chapter 18 - Historic Preservation of the Cedar Rapids Municipal Code

Individual Comments

March 8, 2016

Please outline any additional suggestions on improvements related to the historic or demolition review processes.

Please outline any concerns, issues, or solutions related to the historic or demolition review processes.

Updating the City's rules related to historic preservation is one way to help preserve the community's historic resources. What are other ways the City can help inform the community about the benefits of preservation in order to help preserve the city's history?
