

## ADDENDUM 2

**To:** All companies interested in submitting a Bid  
**Bid:** #PUR0616-215 Street Signs for the MedQuarter District  
**From:** Judy Lehman, Manager, Cedar Rapids Purchasing Services Division  
**Subject:** Addendum No. 2 (1 page)  
**Date:** July 26, 2016

---

The following questions were asked by potential bidders:

1. Are you sure you want Electrocut film on all of these? We will have to re-do our entire bid. The EC film will go over the top of the diamond grade. EC film is not reflective.

**The entire sign and topper should be covered with white 3M Diamond Grade (DG<sup>3</sup>) Sheeting. The sign border, sign topper color, sign text and sign logo may be created by covering the white 3M DG<sup>3</sup> Sheeting with screen printing or 3M ElectroCut Series 1170 transparent film. Vendor should note which method is used as part of their bid.**

2. In the addendum for question number 3, your answer states "Electrocut film for all text and logo." My question is, do you prefer electrocut film for the entire sign other than the reflective sheeting or are we allowed to screen print one or all of the black and red colors. **See response above**

3. One last observation. The "Med" appears to be of a gray color. The "reflective" electrocute films only come in limited colors so "Med" will be white not gray. Assume that's ok and will note in bid, but if you want the whole panel and lettering to be reflective then it will have to be one of the attached colors only laid over the DG3.

**The letters in "Med" should be white**

All addenda that you receive shall become a part of the contract documents and shall be acknowledged and dated on the bottom of the Signature Page Form. The deadline to submit sealed bids is: **Wednesday, August 3, 2016 before 1:00 pm CDT** at the Office of the City Clerk.
