[http://www.cedar-rapids.org/local_government/departments_g - v/purchasing_services/buy_local.php](http://www.cedar-rapids.org/local_government/departments_g-v/purchasing_services/buy_local.php)

Please allow up to 10 days for processing of the certificate before the business is listed.

4. Will the local preference policy be applied to all purchases for goods and services?

No, the following types of purchases are excluded:

- a. Purchases subject to the competitive laws of the State of Iowa

Please send questions via email to buylocal@cedar-rapids.org

6. If I work out of my home, and my home is in Linn County, am I eligible to become a certified local business?

In order to qualify as local business your business must pay commercial property taxes related to the business being certified as local business. Residential property taxes paid for a home business do not qualify for the buy local certification.

7. How does the Buy Local Program work?

Preference shall be applied to acceptable quotes, bids and proposals greater than \$1,000 from businesses within Linn County, Iowa who have submitted a notarized "Local Business Certificate".

Example A: Preference shall be given in the procurement of goods and/or services by bid or quote when a local Contractor's bid or quote exceeds the acceptable low bid by no more than:

10% for bids less than \$25,000

5% for bids equal to or greater than \$25,000 but less than \$200,000

1% for bids equal to or greater than \$200,000

Bid Tabulation for a 20' Enclosed Trailer			
	Contractor A	Contractor B	Contractor C
	Marion, IA	Des Moines, IA	Davenport, IA
BID PRICE	\$ 15,147.99	\$ 14,770.55	\$ 18,250.00

- This bid is less than \$25,000 so the preference is 10%
- Contractor B submitted the lowest bid of \$14,770.55
- Contractor B is not a local business
- Contractor A submitted the next lowest bid of \$15,147.99
- Contractor A is a certified local business
- $\$15,147.99 - \$14,770.55 = \$377.44 / 14,770.55 = 2.56\%$
- The difference between the two bids is 2.56% which is within 10% so the local preference applies
- The bid is awarded to the local Contractor A for \$15,147.99

Example B: Preference shall be given in the procurement of goods and/or services by Request for Proposal (RFP) by awarding additional points to the evaluation scores of proposals received from certified local businesses as follows:

10% of all available points for proposals less than \$25,000

5% of all available points for proposals equal to or greater than \$25,000 but less than \$200,000

1% of all available points for proposals equal to or greater than \$200,000

Points	976.7	723	636.8
Points for Local Preference	0	50	50
TOTAL POINTS	976.7	773	686.8

- The total available points are 1,000 (5% of 1,000 points = 50 points)
- The proposal received from Contractor A was given 976.7 points by the evaluation team
- Contractor B and Contractor C each received 50 additional points per the local preference policy
- After the additional points were applied, Contractor A remained the highest ranked proposal
