**From:** Heather Mell, Purchasing Agent  
**Bid:** Solar Power Message Board (Bid #PUR0816-020); Dated: August 16, 2016  
**Subject:** Addendum #1 (1 page)  
**Date:** August 23, 2016

---

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

**Question:** How long should the cell plan last, and is there a preferred carrier/network?

**Answer:** Cell plan shall be for a minimum of 2 years and there is no preferred carrier/network. Vendor shall ensure the carrier/network will work in our region.

**Question:** Is a hidden clasp lock design for the battery cabinet acceptable as equal for the Stealth Technology?

**Answer:** The Stealth Technology needs to be the same as what the Ver-Mac offers. The hidden clasp would not be considered comparable.

**Question:** What are the standards to determine compatibility with the current City-owned Ver-Mac PCMS 548?

**Answer:** Compatibility with the City-owned Ver-Mac boards would be similar in size, weight, etc. and the ability of the PCMS to communicate with the Ver-Mac JamLogic software for the purposes of tracking all the City's message boards through one software.
