

ADDENDUM #1

To: All Companies Interested in Submitting a Proposal
From: Rebecca Johnson, CPPB, Purchasing Agent
Bid: Design & Creation of MPO Website (RFP #PUR0217-175); Dated: March 8, 2017
Subject: Addendum #1 (1 page)
Date: March 15, 2017

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

Question: Under "Hosting and Platform Expectations", pages 10 and 11 of the RFP, the last item h) states that "Preferred solutions will be built on Microsoft technologies (ex. Net, SQLServer, C#)". The majority of the sites we build are in WordPress. Will you consider proposals for websites that are NOT built in Microsoft?

Answer: Microsoft technologies are not a requirement, only a recommendation. Proposals for other technologies will be considered and the evaluation committee will determine the best option based on features, benefits, price and other criteria listed in the RFP.

Question: The website that you wish to revise, www.corridormpo.com, is not available online. Is there another url for this site?

Answer: The current website for the Corridor MPO is down and no longer accessible online. The CMPO is seeking a completely redesigned new website using the existing url.

The Purchasing Services Division will accept written questions regarding the Request for Proposal until 3:00 p.m. CDT on Friday, March 24, 2017. Fax (888) 815-3659 or e-mail (r.johnson2@cedar-rapids.org) all questions to Rebecca Johnson. Any and all questions will be responded to in the form of written addenda to all Proposers.
