SECTION 4.0 – SCOPE OF SERVICES

4.1 Introduction

The City of Cedar Rapids Facilities Maintenance Services Division (FMS) is soliciting qualifications from firms experienced in acting as a Design Architect providing landscape architecture and site development design services for projects at the City Services Center, 500 15th Avenue SW, Cedar Rapids, Iowa.

4.2 Scope of Services

4.2.1 Two projects have been identified at the City Services Center - see 4.3 and 4.4 for details.

4.2.2 The landscape architect will be responsible for performing a full range of program-level and project-level landscape architecture and site design services, which will include: design, bid and award services, construction administration and project close-out services.

4.2.3 Qualifications will be reviewed by City staff to select a landscape architect for the two projects. Upon selection, the City will request a not-to-exceed price to perform the Services required for this project.

4.2.4 Proposers shall submit all-inclusive hourly rates with their response to this RFQ. These rates shall include all labor, materials, services, transportation, equipment, apparatus, information, data and other items necessary to accomplish the Project. The City will not pay for any additional expenses (i.e., office rent, mileage, etc.).

4.3 Project 1: Bio Swales

The bio swales were installed in the original construction of the facility in 2013. They have failed and are in need of assessment and a revised design to make sure that they are working as intended. This will include grading, soil types, absorption calculations, run off, retaining walls, parking lot dispersion points and plantings. It is the City's intention to utilize as many of the existing plants as possible in the re-design. The goal is to regain a starting point with the bio swale and have the design encompass low maintenance principals. A maintenance plan going forward will be a project close-out deliverable.

4.4 Project 2: General Landscaping

The landscaping was installed in the original construction of the facility in 2013. With this project we are looking to have the current landscaping assessed. The goal for this project will be to add more color to the grounds, determine why the current installation didn't work and how to resolve the issues with new plants, beds and trees that will be able to handle the conditions around the facility. A maintenance plan going forward will be a project close-out deliverable.

----- End of Section 4.0 -----

The Cedar Rapids City Council adopted the Buy Local Purchasing Policy through City Council Resolution No. 1239-10-10.

1. Who is local?

- a. Businesses located within Linn County, Iowa who have paid Linn County property taxes on a plant, office or store occupied by the business for the past year; or
- b. Businesses located within Linn County, Iowa who have paid rent for the past year to a landlord or owner who has paid Linn County property taxes for the past year on the plant, office or store occupied by the business.

2. How do I apply for local preference status?

- a. Complete a "Local Business Certificate". (See page 3 of this packet)
- b. Mail the notarized, completed certificate to:
City of Cedar Rapids – Purchasing Division
101 First Street SE
Cedar Rapids, IA 52401

A list of certified businesses can be viewed on the City's website:

[http://www.cedar-rapids.org/local_government/departments_g - v/purchasing_services/buy_local.php](http://www.cedar-rapids.org/local_government/departments_g-v/purchasing_services/buy_local.php)

Please allow up to 10 days for processing of the certificate before the business is listed.

4. Will the local preference policy be applied to all purchases for goods and services?

No, the following types of purchases are excluded:

- a. Purchases subject to the competitive laws of the State of Iowa
- b. Purchases subject to federal, state or county grant stipulations
- c. Purchases from the State of Iowa or other national contracts
- d. Sole source purchases

5. Do you have questions or feedback about the Buy Local Program?

Please send questions via email to buylocal@cedar-rapids.org

6. If I work out of my home, and my home is in Linn County, am I eligible to become a certified local business?

In order to qualify as local business your business must pay commercial property taxes related to the business being certified as local business. Residential property taxes paid for a home business do not qualify for the buy local certification.

7. How does the Buy Local Program work?

Preference shall be applied to acceptable quotes, bids and proposals greater than \$1,000 from businesses within Linn County, Iowa who have submitted a notarized "Local Business Certificate".

Example A: Preference shall be given in the procurement of goods and/or services by bid or quote when a local Contractor's bid or quote exceeds the acceptable low bid by no more than:

10% for bids less than \$25,000

5% for bids equal to or greater than \$25,000 but less than \$200,000

1% for bids equal to or greater than \$200,000

| Bid Tabulation for a 20' Enclosed Trailer | | | |
|---|--------------|----------------|---------------|
| | Contractor A | Contractor B | Contractor C |
| | Marion, IA | Des Moines, IA | Davenport, IA |
| BID PRICE | \$ 15,147.99 | \$ 14,770.55 | \$ 18,250.00 |

- This bid is less than \$25,000 so the preference is 10%
- Contractor B submitted the lowest bid of \$14,770.55
- Contractor B is not a local business
- Contractor A submitted the next lowest bid of \$15,147.99
- Contractor A is a certified local business
- $\$15,147.99 - \$14,770.55 = \$377.44 / 14,770.55 = 2.56\%$
- The difference between the two bids is 2.56% which is within 10% so the local preference applies
- The bid is awarded to the local Contractor A for \$15,147.99

Example B: Preference shall be given in the procurement of goods and/or services by Request for Proposal (RFP) by awarding additional points to the evaluation scores of proposals received from certified local businesses as follows:

10% of all available points for proposals less than \$25,000

5% of all available points for proposals equal to or greater than \$25,000 but less than \$200,000

1% of all available points for proposals equal to or greater than \$200,000

| Proposal Summary | | | |
|-----------------------------|---------------|------------------|--------------|
| | Contractor A | Contractor B | Contractor C |
| | Iowa City, IA | Cedar Rapids, IA | Hiawatha, IA |
| Points | 976.7 | 723 | 636.8 |
| Points for Local Preference | 0 | 50 | 50 |
| TOTAL POINTS | 976.7 | 773 | 686.8 |

- This proposal is greater than \$25,000 but less than \$200,000 so the preference is 5%
- The total available points are 1,000 (5% of 1,000 points = 50 points)
- The proposal received from Contractor A was given 976.7 points by the evaluation team
- Contractor B and Contractor C each received 50 additional points per the local preference policy
- After the additional points were applied, Contractor A remained the highest ranked proposal
- Local preference did not change the award in this case
