

ADDENDUM #2

To: All Companies Interested in Submitting a Bid
From: Heather Mell, Purchasing Agent
Bid: Backstop Netting (Bid #PUR1217-097); Dated: December 18, 2017
Subject: Addendum #2 (1 page)
Date: December 22, 2017

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

Notes form the Pre-Bid Meeting:

- The entire backstop net shall be one piece.
- Existing cabling runs from light pole in left field to light pole in right field.
- If using existing cabling, Contractor shall use drop down cabling to extended netting.
- Contractor is responsible for any engineering that may need to be done.
- Acme Electric, Cedar Rapids, Iowa install the original light poles.
- Contractor shall submit a bid for pricing using the existing cabling and adding poles in right and left field using new cabling.
- Poles shall be installed beyond the exterior fence on each side. Contractor shall install cable to hang netting.
- Contractors shall use the attached Revised Attachment C – Submittal Forms to submit their bid. This reflects the pricing for both options. Cedar Rapids Kernels will decide at time of award which option to use.

All addenda that you receive shall become a part of the contract documents and shall be acknowledged and dated on the bottom of the Signature Page (page 5). The deadline for bid submittal is Wednesday, January 3, 2018 at 3:00pm CST.
