---

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

**Question:** Can you please confirm if the 2008 F-450 chassis for the 11' replacement dump is a gas or diesel chassis?

**Answer:** The existing 2008 F-450 chassis is a diesel.

**Question:** Can you confirm if the current build is using central hydraulics or if the current build is an electric/hydraulic hoist setup?

**Answer:** The current build has central hydraulics.

**Question:** Is the current hoist a single action (power up/gravity down) or is it a double action hoist (power up/power down)?

**Answer:** The current hoist setup is power up, gravity down.

**Question:** Does this truck have poly fenders on it or are you looking to put on poly fenders?

**Answer:** The existing 2008 Ford F450 chassis does not currently have poly fenders and the City will not be adding poly fenders.
