---

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

**Change:** Vendors shall use the attached Revised Attachment A – Bid Submittal Form to submit their bid. Changes are marked in red text.

**Note:** Both streetside and curbside compartments must have solid tops to accommodate aluminum shovel baskets on both sides.

**Question:** Service Body Specifications: Section 1 – It states “Vinyl covered stainless steel cable doors stops”. Knapheide has spring over center linkage on vertical doors and chain for horizontal doors. Is that acceptable?

**Answer:** Either will be accepted. Vendor shall specify when bidding.

**Question:** Service Body Specifications: Section 1 – It states “Clear vinyl rock guards”. Knapheide provides aluminum rock guards. Is that acceptable?

**Answer:** Either will be accepted. Vendor shall specify when bidding.

**Question:** Service Body Specifications: Section 1 – It states “Full width step type bumper, stainless steel extruded grip step design. Standard bumper depth”. Knapheide builds the bumpers with galvaneel steel and galva grip punched. Is that acceptable?

**Answer:** Either will be accepted. Vendor shall specify when bidding.

**Question:** Service Body Specifications: Section 1 – Knapheide does not offer a lining on the bed. Will Linex be acceptable?

**Answer:** The City will accept Linex. Vendor shall specify when bidding.

**Question:** Service Body Specifications: Section 1 – On paint, do you want the interior of compartments painted white or is the light gray primer acceptable?

**Answer:** The light gray primer is acceptable. Vendor shall specify when bidding.

**Question:** Service Body Specifications: Section 3D – There is a mention of a hotstick door. Do you want one and do you have a size of the compartment you want to access?

**Answer:** Please disregard the hotstick shelf. Please see the attached Revised Attachment A.
