Please note the following specification changes/additions/clarifications relative to the above Request for Bid.

- 1) **Question:** Could you clarify what item the removal of paved driveways and sidewalks will be paid under?  
**Answer:** Item 02700-20, Portland Cement Concrete Driveway, would cover the removals of the existing paved driveway and the sidewalk within said driveway as incidental to this item. In Section 01000 of the project manual, most of the pay item sections that have been modified are spelled out here. On the pay app, items that are lump sum are associated with the Hughes Park project (Parks). Items that are unit price are associated with the additional sidewalk outside the area adjacent to Hughes Park (Public Works).
  
- 2) **Question:** Can I get the CAD Files from the Design Engineer on this project for our Bidding Purposes?  
**Answer:** CAD files are available from Patrick Schwickerath, P.E. at Snyder & Associates in Cedar Rapids, 319-362-9394.
