REVISED ATTACHMENT B – BID PRICING SUBMITTAL FORM Tandem Axle Dump Truck– RFB #PUR0818-037

FOB POINT

The FOB Point, in terms of loss or damage, as well as where title to the goods is passed, shall be FOB - Destination.

FREIGHT CHARGES

Freight charges are to be included in the quoted price of the goods, rather than as a separate item unless otherwise noted.

BRAND NAMES

Unless otherwise indicated, the name of a certain brand, make or manufacturer does <u>not</u> restrict bidders to the specific brand, make or manufacturer named. It conveys the general style, type, character and quality of the article desired, and any article which the City in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation and suitability for the purpose intended shall be accepted. Any brand name or manufacturer's reference used in this bid is descriptive NOT restrictive. It is used to indicate type and quality desired.

EQUIVALENTS

The name of any manufacturer mentioned in the specifications is for the purpose of establishing a minimum acceptable standard of quality desired by the City. On all items bid, the bidder shall indicate clearly the product being bid and, where applicable, shall supply catalog cuts and descriptive literature with the original copy of the bid. Equivalent products will be considered for all products unless it is specifically indicated for a particular product that no substitutions are allowed. It is the sole discretion of the City to make the determination if a product will be acceptable as an equivalent.

SPECIFICATION COMPLIANCE

Any supplier who willfully falsifies responses indicating compliance or non-compliance with the minimum requirements listed below will be subject to suspension and/or debarment from bidding. Vendors shall complete every line on the bid submittal forms (Does not meet Spec, Meets Spec or Exceeds Spec) and indicate the exact item being bid to meet the minimum specified item. An X, check mark, or yes will indicate the item specified is being provided. All bullet points must be acknowledged with the aforementioned. All exceptions shall be stated no matter how seemingly minor.

Specifications for Tandem Axle Dump Truck for Fleet Services.

Cab & Chassis

		Does Not	Meets	Exceeds	
	Minimum Specification	Meet Spec	Spec	Spec	Comments
1	Engine				
	Cummins power L9 370 Horsepower at 2000				
	RPM, 1250 ft/lb torque at 1400 rpm (Must				
	have wet cylinder sleeves/ liners) no				
	substitutions.				
2	Engine Equipment				
	Engine shall be equipped with a dry type air				
	cleaner with snow door				
	Engine shall be equipped with a 1,000 watt,				
	115-volt block heater (minimum)				
	12V 160 AMP alternator (minimum)				
	2 -12V threaded stud batteries 2200 CCA				
	minimum.				
	State the CCA				
	Battery box frame mounted under cab		_		
	(battery box mounted so as to not interfere				
	with up-fit components)				
	Frame ground return for battery cables				

Minimum Specification 18.7 CFM air compressor Electronic engine shutdown protection system Exhaust appropriate for body configuration, up-fit and Federal Regulations horizontal exhaust tippe. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sqi minimum Anti-freeze rated to -34 F Heavy dury coolant hoses Oil pan treated to resist corrosion 3. Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wining to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, asles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension Usual steering gears Meritor 1.65 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake lining Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 1.8,000 lb front assepsion, taper lead spring Heavy duty front shock absorbers Server and and suspension 4,0000 lb rear aske (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autor asso ils keywhen bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autor asso ils keywhen bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autor asso ils keywheteit C5vs-90 all allaces Meritor 16.5 x 7 cast solder cam rear brakes			Does Not	Meets	Exceeds	
Electronic engine shutdown protection system Exhaust appropriate for body configuration, up-fit and Federal Regulations horizontal exhaust type. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freez rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab wy sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum), standard axle setting Dual steering gears Mentor 16,5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front trake drums Standard spindle axle nuts for all axles Automatic front slack palicysters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Minimum Specification	Meet Spec	Spec	Spec	Comments
Electronic engine shutdown protection system Exhaust appropriate for body configuration, up-fit and Federal Regulations horizontal exhaust type. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freez rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab wy sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum), standard axle setting Dual steering gears Mentor 16,5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front trake drums Standard spindle axle nuts for all axles Automatic front slack palicysters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		18.7 CFM air compressor				
System Exhaust appropriate for body configuration, up-fit and Federal Regulations horizontal exhaust pipe. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/byss soll filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab wy sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axels fill and frain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension Mentor 15.5 x 6 cast spider cam front brakes Non-asbestos front brake liming Cast iron front brake (minimum), standard axle setting Bush steering 2 quart transfuscion, some proper la sping 1 a quart transfuscion to other sping 1 a quart transfuscion to other sping 1 a quart transfuscion to other sping 1 a quart transfucent power steering reservoir 1 a,000 bit front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4 Q,000 ib rear axle (minimum) Netritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all adses						
up-fit and Federal Regulations horizontal exhaust pipe. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/pass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Ake and Suspension 18,000 lb front sake (minimum), standard aske setting Dual steering gears Mentor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle awle nust for all axles Automatic front slack adjusters Power steering 1,000 lb front sake daysters Power steering 2 cyauct translucent power steering reservoir 1,8,000 lb front sake daysters Power steering 2 cyauct translucent power steering reservoir 1,8,000 lb front suck suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all all axles		system				
up-fit and Federal Regulations horizontal exhaust pipe. Vertical is acceptable for this build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/pass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Ake and Suspension 18,000 lb front sake (minimum), standard aske setting Dual steering gears Mentor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle awle nust for all axles Automatic front slack adjusters Power steering 1,000 lb front sake daysters Power steering 2 cyauct translucent power steering reservoir 1,8,000 lb front sake daysters Power steering 2 cyauct translucent power steering reservoir 1,8,000 lb front suck suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all all axles		Exhaust appropriate for body configuration,				
build as long as a heat shield is also installed for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flowlybass oil filter Aluminum radiator, 1200 sg in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab wy sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axies fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Ada and Suspension 18,000 lb front sale (minimum), standard axie setting Dual steering gears Mentor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle and nust for all axles Automatic front slack adjusters Power steering 19,000 lb front sale kadjusters Power steering 19,000 lb front sale kadjusters Power steering 19,000 lb front subspension 18,000 lb front sale kadjusters Power steering 19,000 lb front subspension, taper leaf spring Heavy duty front shock absorbers 19,000 lb front subspension, taper leaf spring Heavy duty front shock shoothers 19,000 lb front subspension, taper leaf spring Heavy duty front shock shoothers 10,000 lb front subspension, taper leaf spring Heavy duty front shock shoothers 10,000 lb front subspension 10,000 lb front subspension, taper leaf spring Heavy duty front shock when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all allese						
for safety purposes. Air operated fan clutch Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 7 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axies fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 lb front axle (minimum), standard axle setting Dual steering gears Meritor 1.65 x 6 cast spider cam front brakes Non-asbestos front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front exuspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autor rans oil & synthetic 75W-90 ail axlese		exhaust pipe. Vertical is acceptable for this				
Air operated fan clutch Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 Ib front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 Ib front asle (minimum) , stapping Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 Ib front asse (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		build as long as a heat shield is also installed				
Automatic control without dash switch Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Bullder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 ib front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 18,000 ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 ib rear axle (minimum) Meritor preferred, please specify when bidding Automatic trans oil & synthetic 75W-90 all axles Synthetic autor arso oil & synthetic 75W-90 all axles Synthetic autor arso oil & synthetic 75W-90 all axles		for safety purposes.				
Combination full flow/bypass oil filter Aluminum radiator, 1200 sq in minimum Anti-freeze rated to 34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 ib front axle (minimum), standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,0000 ib rorat saye innimum) Meritor preferred, please specify when bidding Automatic trans oil & synthetic 75W-90 all axles		Air operated fan clutch				
Aluminum radiator, 1200 sq in minimum Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 Ib front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 Ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,0000 Ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,0000 Ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,0000 Ib front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,0000 Ib front suspension the preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Automatic control without dash switch				
Anti-freeze rated to -34 F Heavy duty coolant hoses Oil pan treated to resist corrosion 3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab W/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, avies fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,000 b front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 4,000 b front suspension 5,00 b front suspension 6,00 b front suspension		Combination full flow/bypass oil filter				
Heavy duty coolant hoses Oil pan treated to resist corrosion Oil pan treated to resist corrosion Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab W, sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart transfucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 4,0000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Aluminum radiator, 1200 sq in minimum				
Oil pan treated to resist corrosion 7 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 Ib front axle (minimum) , standard axle setting Dual steering gears Meritor 1.6.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quant translucent power steering reservoir 18,000 Ib front suspension 40,000 Ib rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles Synthetic auto trans oil & synthetic 75W-90 all axles		Anti-freeze rated to -34 F				
3 Transmission and Equipment Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum), standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autor size and suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic autors of the cabe with a large and suspension 40 all axles		Heavy duty coolant hoses				
Allison 3000 RDS automatic transmission, with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles Synthetic auto trans oil & synthetic 75W-90 all axles		Oil pan treated to resist corrosion				
with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles	3	Transmission and Equipment				
with PTO provision, 6 speed, 70 mph Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles						
Body Builder wiring to the back of the cab w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles						
w/ sealed connectors Temperature gauge Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles Synthetic auto trans oil & synthetic 75W-90 all axles Synthetic auto trans oil & synthetic 75W-90 all axles Synthetic auto trans oil & synthetic 75W-90 all axles						
Indicator, low coolant level, with audible alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		w/ sealed connectors				
alarm. Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Temperature gauge				
Magnetic plugs, engine drain, transmission drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Indicator, low coolant level, with audible				
drain, axles fill and drain Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		alarm.				
Push button, electronic shift control, dash mounted Transmission oil check and fill with electronic oil level check Water to oil transmission cooler 4 Front Axle and Suspension 18,000 lb front axle (minimum) , standard axle setting Dual steering gears Meritor 16.5 x 6 cast spider cam front brakes Non-asbestos front brake lining Cast iron front brake drums Standard spindle axle nuts for all axles Automatic front slack adjusters Power steering 2 quart translucent power steering reservoir 18,000 lb front suspension, taper leaf spring Heavy duty front shock absorbers 5 Rear Axle and Suspension 40,000 lb rear axle (minimum) Meritor preferred, please specify when bidding Automatic traction control and full differential lock Main driveline with half round yokes Synthetic auto trans oil & synthetic 75W-90 all axles		Magnetic plugs, engine drain, transmission

	Minimum three year standard warranty to				
	include, base warranty, drivetrain, engine,				
	after treatment, towing and road side				
10	assistance				
18	Training				
	Three hours of mechanic level training to				
	include preventive maintenance,				
	adjustments, and common maintenance insights from the manufacture. 3 hours of				
	operator level training to be determined by				
	customer after purchase				
19	Electrical Connections (all connections must				
19	meet this standard minimum)				
	All lighting used shall be, at a minimum, a				
	two (2) wire light grounded through a wired				
	connection to the battery system.				
	Wiring shall be run in loom where exposed,				
	and have grommets or other edge				
	protection where wires pass through metal.				
	Exterior exposed wire connectors shall be				
	positive locking, and environmentally sealed		1		
	to withstand elements such as temperature		1		
	extremes, moisture and automotive fluids.				
	Electrical wiring and equipment shall be		1		
	installed utilizing the following guidelines:]		
	All wire ends not placed into connectors]		
	shall be sealed with a heat shrink end cap.]		
	Wires without a terminating connector or				
	sealed end cap shall not be allowed.]		
	All holes made in the roof shall be caulked				
	with silicon (no exception).]		
	Corrosion preventative compound shall be				
	applied to non-waterproof electrical]		
	connectors located outside of the cab or]		
	body. All non-waterproof connections shall]		
		1		1	

	Does Not	Meets	Exceeds	
Minimum Specification	Meet Spec	Spec	Spec	Comments
require this compound in the plug to				
prevent corrosion and for easy separation of				
the plug.				
Any lights containing non-waterproof				
sockets in a weather-exposed area shall				
have corrosion preventative compound				
added to the socket terminal area.				
Rubber coated metal clamps shall be used to				
support wire harnessing and battery cables				
routed along the chassis frame rails.				
Heat shields shall be used to protect				
harnessing in areas where high				
temperatures exist. Harnessing passing near				
the engine exhaust shall be protected by a				
heat shield				
For ease of identification, battery cables				
shall be color coded. All positive battery				
cables shall be red in color or wrapped in				
red loom the entire length of the cable. All				
negative battery cables shall be black in				
color				
Wire connections shall be made using crimp				
style heat shrink butt splice connectors or				
soldered connection covered with heat				
shrink. If crimp style connector is used,				
crimping tool Westward 13H876 or				
equivalent must be used to prevent piercing				
heat shrink. Solder sleeve butt splice type				
connectors shall not be allowed.
