Date: September 13, 2018

Please note the following specification changes/additions/clarifications relative to the above Request for Bid.

- 1) **Question:** Can you provide the volumes for 2016 and 2017?
Answer: At full operation for a year, we use 10-12 totes. We expect to be running at full load all year long but, break downs occur and weather issues pop up, like recent flooding. The 12 tote per year is the most we've used and probably 10-11 totes per year is more typical.

The deadline for sealed bids is Thursday, September 20, 2018, before 3:00 pm CDT at the Office of the City Clerk, 101 First Street SE, Cedar Rapids, IA 52401.
