

## **ADDENDUM #1**

**To:** All Companies Interested in Submitting a Bid  
**From:** Rebecca Johnson, CPPB, Purchasing Agent  
**Bid:** Window and Wall Graphics for Ice Arena (RFB #PUR0419-224); Dated: May 22, 2019  
**Subject:** Addendum #1 (1 page + Attachment D)  
**Date:** June 3, 2019

---

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the RFB was sent.

**Question:** You are asking for 150-180 micron which roughly translates to 6-7 mil. If we put a 6 mil vinyl on the brick it will be too rigid to fit into the seams of the brick, creating a weak spot in the vinyl and over time it will crack and fail. Generally the vinyl that is intended for concrete block is 2 mil thick. Should we bid the heavier (6 mil) vinyl or the 2 mil which is better for the block wall?

**Answer:** The Ice Arena will rely on the expertise of the awarded vendor to install the appropriate material for best possible adhesion to the surface. Please bid the appropriate thickness for the application and indicate in your bid the exact product you are bidding.

**Question:** How high will the graphics be?

**Answer:** The highest graphics will be approximately 15 to 17 feet high. The awarded Contractor will be responsible to provide any equipment necessary to perform the work.

### **Additional clarifications:**

- Ice Arena staff will be painting the concrete block wall where the 8x8 wall graphic will be located; staff will use VOC-free paint and will ensure appropriate drying time prior to installation of the graphic
- The new Cedar Rapids Ice Arena (CRIA) logo graphic to be installed shall include the logo only with no white background
- The CRIA logo is provided in Attachment D included with this Addendum; the 8x8 graphic shall be the stacked version of the logo which is the second logo on the lower half of Attachment D

---

All addenda that you receive shall become a part of the contract documents and shall be acknowledged and dated on the bottom of the Signature Page (Attachment C). The deadline for bid submittal is Thursday, June 6, 2019 before 3:00 p.m. CDT.
