 UTILITIES DEPARTMENT
 WATER POLLUTION CONTROL FACILITY ODOR CONTROL UPGRADES
 CITY OF CEDAR RAPIDS, IOWA
 CONTRACT #615233-02**

Engineer's Estimate: \$5,200,000
 Engineer: CH2M, Inc.

Bid Date: Wednesday, July 13, 2016
 Time: 11:00 AM

The following proposals were received by the City of Cedar Rapids for the Water Pollution Control Facility Odor Control Upgrades project. The Work generally consists of upgrades to the odor control processes at the Water Pollution Control Facility, including replacement of existing Bioscrubber lava rock media, installation of two new Biotrickling Filters, and replacement of fans, duct work, and other appurtenances.
