

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

I'd appreciate a better or more thorough flow chart in phone book or web site. This would help in getting the correct person on the phone - first try.

2. How can we improve the services provided to you?

To respect the fact that the Budget controls so much. Salaries for life guards to be at least pick up. Keep gathering our input & do your best.

3. How can we improve communications regarding City activities and services?

4. Other comments and questions.

Thanks for coming & berry bar
