

CEDAR RAPIDS  
**BLUEPRINT**  
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

*I like the off leash dog park! The only complaint I have is its remote location. Any chance of opening a second one?*

2. How can we improve the services provided to you?

3. How can we improve communications regarding City activities and services?

4. Other comments and questions

*To the Council: Please vote to continue with the proposed design of New Bohemia. It is a separate area, not an extension of Cedar Village.*

*I plan to work hard to establish a new mediation center to serve the city + the larger community.*
