

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

Over all C.R. is doing a good job considering the size of the city on providing services.

2. How can we improve the services provided to you?

3. How can we improve communications regarding City activities and services?

4. Other comments and questions.

My issue is ~~that~~ vacant houses owned by absentee landlords/owners. These houses fall into disrepair and are a safety hazard to the immediate neighbors, not to mention being eyesores. We need to have a law in place that can take action if a property is abandoned.
