

CEDAR RAPIDS  
**BLUEPRINT**  
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

I like the Cellular Center & Uptown Friday nights. More active nighttime downtown district besides bars.

2. How can we improve the services provided to you?

Revising the downtown area seems to be a common area of interest for everyone though we don't always agree on how to do it. I'm for making downtown angle parking. I know people may argue against minor fender benders.

3. How can we improve communications regarding City activities and services?

Talk to the colleges, & the students! Try to get new ideas & invigorate them, use their energy to help plan & execute different community initiatives.

4. Other comments and questions.

I am a young, interested community member that loves Cedar Rapids & wants to be more involved. Please let me know how I can become more involved, voice ideas, raise concerns, & constructive criticisms!
