

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

*Rental Inspections provide safe and clean housing for occupants.
I am a current landlord.*

2. How can we improve the services provided to you?

3. How can we improve communications regarding City activities and services?

4. Other comments and questions.

Cost Savings Idea: To be brief currently there are 2 departments that provide essentially the rental inspection service. City Housing and Leased Housing. Eliminating duplication of inspections could be done by simply exempting Leased Housing properties from the City Housing inspections required every 5 years. This procedure was previously in place. Can discuss in detail if interested.
