

CEDAR RAPIDS  
**BLUEPRINT**  
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

How about providing a "garby" to help eliminate dogs etc ~~spreading~~ spreading garbage all over the neighborhoods?

2. How can we improve the services provided to you?

Enforcement of rental violations need to be enforced in "quick" time.  
Good landlords should be rewarded.  
Community policing should be strenthen + no more 12 hr. shifts.

3. How can we improve communications regarding City activities and services?

Neighborhoods could be informed through their associations early enough in the process to have time to act on the plans.

4. Other comments and questions.

Why are the police + fire depts so top heavy?  
Why can't building, housing + development work together?  
Let's devise a better plan with dealing with abandoned property.
