

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

I especially like the city flower beds in the all the parks. The Noelridge flower beds are my favorite & my out of town visitors really enjoy it, too.
I have adequate lighting in my neighborhood.

2. How can we improve the services provided to you?

3. How can we improve communications regarding City activities and services?

I live in the Kenwood Neighborhood and we continually are fighting to keep the neighborhood safe + clean. We have several properties who have junk cars in their yards. How can we enforce the laws to get rid of them for good?

4. Other comments and questions.

We need more affordable housing for low income. Houses continually are being torn down to make room for new dental offices + strip malls. Westdale Mall continues to shrink in size. We need to promote new stores to move in not out.
