**BLUEPRINT**  
for the FUTURE

*12th Avenue SW #12*      *Boone*

The City of Cedar Rapids competes for people to live, work and do business in our community. Feedback from current residents and businesses provides us with needed information for how we can continue to meet your needs. We would appreciate your responses to the following questions.

1. What do you like about city services currently provided? Do you have any suggestions for additional services?

*Trash service in the majority of the city, or there again, its course. As the ponds follow the water, it may follow that relative pick-up times shall improve.*

2. How can we improve the services provided to you?

*Additional funding for Johnson Elementary School, if it is possible.*

3. How can we improve communications regarding City activities and services?

*None.*

4. Other comments and questions.

*You're done well. You really have.*
