

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The purpose of this open house is to get public feedback on alternatives for refining City Organizational Structure, Systems and Processes. We would appreciate your feedback to the following:

1. Questions, comments or suggestions regarding the alternatives to City Organizational Structure.

I really think Jim Prosser should keep kept. Heads for each division of city government. They have much knowledge in their own field & bring expert opinions to the City Council table

2. Questions, comments or suggestions regarding the alternatives to City Services.

see below for leaf pickups & library services.

Pro-rate minimum charges of water to actual water usage - this would much more fair for singles & seniors

3. Questions, comments or suggestions regarding the alternatives to City Systems.

Quit running those big buses all over and use them for shorter runs - design bus routes in a circle pattern with short routes using gas-eater buses & for away routes using small gas consumption buses -

4. Other comments and questions.

1. Please charge .60 extra cent & retain leaf pickup

2. also, how about a nominal charge for a library card to retain those services?
