

CEDAR RAPIDS
BLUEPRINT
for the **FUTURE**

The purpose of this open house is to get public feedback on alternatives for refining City Organizational Structure, Systems and Processes. We would appreciate your feedback to the following:

1. Questions, comments or suggestions regarding the alternatives to City Organizational Structure.

Support an organization that allows for flexibility to outsource or sell services to surrounding communities.
Reduce expensive top heavy manpower.

2. Questions, comments or suggestions regarding the alternatives to City Services.

Cross-train and utilize city employees for more than 1 task and 1 season.
Too many are seen idle or 2 men doing a 1 man job.

3. Questions, comments or suggestions regarding the alternatives to City Systems.

Do not utilize expensive consultants
Use resource within community.
* Do not drive people out of the city by continuing to raise property taxes.

4. Other comments and questions.

Consider a "casino" in Westdale Mall.
Many people live in outside communities benefiting from our city services and resources - need to obtain or recoup financial losses from this population.
