

CEDAR RAPIDS  
**BLUEPRINT**  
for the **FUTURE**

The purpose of this open house is to get public feedback on alternatives for refining City Organizational Structure, Systems and Processes. We would appreciate your feedback to the following:

1. Questions, comments or suggestions regarding the alternatives to City Organizational Structure.

I believe it's working great now. We seem to have good organization. Of course everyone cannot have their way... but knowledge in what they are doing is evident.

2. Questions, comments or suggestions regarding the alternatives to City Services.

Looks like they are all doing their jobs. Don't understand all the street work now but I'm sure business maintenance wise, it's being done correctly.

3. Questions, comments or suggestions regarding the alternatives to City Systems.

I'm not sure what is meant by "City Systems."

4. Other comments and questions.

Find an easy way to get things done without running out of money. Like shorting the ~~the~~ GREEN SQUARE ~~the~~ FOOD SERVICE... Keep it and ~~let~~ let the building be repaired and kept in service where it is!
