2E. Comments/questions on the recommendations for **Zoning:**

2F. Comments/questions on the recommendations for **Vacant and/or Dilapidated Housing:**

<i><del>if</del> if a place has been worked on and is vacant it should ok to board up the place so we don't have vandals or homeless breaking in and sleeping there.</i>

2G. Comments/questions on the recommendations for **Strengthening Neighborhoods:**

<i>if the city is serious about enhancing the Neighborhoods, the irresponsible tenant need to be addressed directly to the tenants, not shifted to the Landlords. Landlords are not social workers and have authority or responsibility to control the lives and behaviors of the renters.</i>
