

2D. Comments/questions on the recommendations for **Housing:**

2E. Comments/questions on the recommendations for **Zoning:**

2F. Comments/questions on the recommendations for **Vacant and/or Dilapidated Housing:**

2G. Comments/questions on the recommendations for **Strengthening Neighborhoods:**

<i>the neighborhood associations need to send out many more announcements - ments about the monthly meeting (at least 500 post card/month to "occupants" every other month should target neighborhood problems as the main topic that month.</i>
--

3. **Other Comments/Questions?** *The whole city council needs to read over several*

<i>times, the current housing code, and see if by enforcing the existing code, we can't do a better job of Changing or Neighborhood without having to institute new rules, laws, etc. Specifically: chapters 29.06, 29.07, 29.09, 29.12, 29.13, and 29.14</i>
