2F. Comments/questions on the recommendations for **Vacant and/or Dilapidated Housing:**

Handwritten text: "A Neighborhood Finance Corporation - type organization is a great idea. Are there other mechanisms to get home owners into housing? City rehab of vacant housing needs to be sensitive to the type & age of the housing. Demolition is sometimes the best option, but it also affects a block negatively. Please encourage rehab if there is any appropriate entity to carry it out!"
