

**ENHANCE OUR NEIGHBORHOODS  
OPEN HOUSE No. 3 – FEEDBACK FORM**

Please provide your comments to the July 19, 2007 Open House presenting recommendations

**1. Comments/questions on the Process, Goals and Communications:**

The goals are good, I agree with them. The Process  
too much responsibility is put on the  
landlords without giving the landlords  
authority - we have to enforce the law.  
change the court system

**2. Comments/questions on the recommendations for Neighborhood Team:**

This is good for landlords to have  
better access to identify problem tenants.  
What about prospective tenants who come  
from out of state; how do we check them other  
than credit check - attempt to get honest references etc.

**2A. Comments/questions on the recommendations for Neighborhood Team:**

Empty lined box for handwritten comments.

**2B. Comments/questions on the recommendations for Public Safety:**

Currently, when the police are called they  
either don't come or say there is nothing  
they can do. Need more police enforcement

**2C. Comments/questions on the recommendations for Rental Housing:**

Is there going to be another fee annually  
to register the properties? Fees, fees, +  
more fees for good landlords when the  
rents have decreased due to market conditions
