

ENHANCE OUR NEIGHBORHOODS OPEN HOUSE NO. 2 – FEEDBACK FORM

Please provide your comments, questions, and
evaluation of strategies related to
Accountability of Landlords and Tenants:

regarding the "three strikes" – all problems need to
be in writing, and given to both landlord-tenant-
police reports need to be made out if needed, too – once
problems are corrected, the landlord needs to be able to rent
out his property again, not ~~penalized~~ penalized for a short
term, as some have suggested – tenants need to be
fined, just as landlords are – it takes a community
to be a community, meaning all parties need to share
responsibilities, not just the landlords.

Other Comments or Questions?

courts need to assess fines for being "bad tenants"
only then will they get the message to be "good"
