evaluation of strategies related to
Accountability of Landlords and Tenants:

Landlords have minimal recourse against non-compliant tenants. Evictions are costly & difficult. Licence fees will only serve to increase costs to landlords and decrease rehab on additional properties needing renovation. There is already duplication of inspections with city & leased housing inspections. I have personally been forced to move smoke detectors multiple times due to the inability of tenant groups to agree. This plan needs to hold the tenants accountable not continue to levee fees on landlords
