# ENHANCE OUR NEIGHBORHOODS OPEN HOUSE NO. 2 – FEEDBACK FORM

Please provide your comments, questions, and  
evaluation of strategies related to  
**Accountability of Landlords and Tenants:**

Instead of a yearly registration of landlords to the city - it should be a requirement that all landlords belong to the local Landlords Association.

They would have access to landlording rules & reg. a list of blackballed tenants, background checks, & be made aware of violations in the codes.

Tenants might be more inclined to be responsible for their actions to the landlord & the best rented property.

### Other Comments or Questions?

This would shift some of the burden for the City to the Landlord Association & take away some of tax burdens.

Thank you for your input! – Optional (Names and addresses will become public information.)
