

ENHANCE OUR NEIGHBORHOODS OPEN HOUSE NO. 2 - FEEDBACK FORM

Please provide your comments, questions, and
evaluation of strategies related to
Accountability of Landlords and Tenants:

Is the City working to rid themselves of Chicago movers?

Why would anyone be a landlord if they will be solely responsible for everything a tenant, their visitors or people who happen by do? (i.e. remove code sections ...) Society has brought into the idea of "I'm not responsible" for too long. Why can't tenants & landlords be held jointly responsible?

I thought you had to register; we do!

Some of our properties could get 3 strikes in a week! How in the world could these laws be enforced?

Other Comments or Questions?

What does "structure fee, cost per unit" mean?

It appears to me that there are constitutional & civil rights issues here. (Very soon a landlord or the city will see many discrimination suits.)

Thank you for your input! - Optional (Names and addresses will become public information.)
