ENHANCE OUR NEIGHBORHOODS OPEN HOUSE NO. 2 – FEEDBACK FORM

Please provide your comments, questions, and
evaluation of strategies related to
Accountability of Landlords and Tenants:

In regards to 3 strikes - you out -- most of the
complaints are not within landlords control. What describes
a strike? After 3 strikes the tenant should be evicted on
site and I don't feel the landlord is to be held responsible
for all acts of tenants. What is the meaning of requiring
a "license" to rent -- when houses are already being
inspected at a fee? To get more money from the
people trying to make a living & staying within the
rules. Sounds to me the city wants more money
from landlords. Maybe the 3 strikes - you out needs to
be enforced for "all landlords"
