

Appendix C: Certification of Compliance with Mandatory and Optional Building Guidelines

I certify that the building(s) that unit I have constructed with funds through the HOME Investment Partnership Program comply with all of the Mandatory and Optional Building Guidelines that I have elected to incorporate in the building specifications.

I also understand that the City has the right to inspect and monitor for compliance of the Mandatory and Optional Building Guidelines and the proposed building specifications and to withhold or recapture funds if the developer fails to comply with the stated requirements.
