## SPECIAL TERMS AND CONDITIONS

### **BACKGROUND**

Starting the week of June 9, 2008, Cedar Rapids experienced flooding of catastrophic historic proportions. The Cedar River crested June 13<sup>th</sup> at 31.12 feet, 19.12 feet above flood stage and 11.12 feet above the previous record set in 1929. The floods impacted over 7,000 parcels of land.

This flooding event infiltrated well past the 100 and 500 year flood plains, making it unpredictable by today's standards. While properties throughout Cedar Rapids along floodways were impacted, most of the damage occurred in the downtown business district and the surrounding neighborhoods. The flood impacted many city owned facilities, including the Indian Creek Nature Center.

### **SCOPE OF WORK**

The City of Cedar Rapids Facilities Maintenance Division is seeking bids for the purchase, delivery and possibly installation of six (6) interior and four (4) exterior doors for the Indian Creek Nature Center to replace existing doors that were damaged by flood water.

Detailed specifications are listed on the bid submittal form on page 6. A base price is requested for each door as specified, with alternate pricing requested for optional items. Alternate items to be purchased will be determined following receipt of bids.

Alternate pricing is also requested for labor to remove and dispose of existing doors and install either existing hardware on the new doors or new hardware on the new doors. It will be determined following receipt of bids if the doors will be installed by the awarded contractor or if they will be installed by City employees. Pricing for installation shall include all labor and additional materials required to install fully functional doors. If new hardware, the locks shall be individually keyed (door knob and deadbolt matching), with a master key for all.

### **SITE VISITS**

All interested bidders are encouraged to visit the Indian Creek Nature Center located at 6665 Otis Road SE in Cedar Rapids in order to familiarize themselves with all conditions that may affect the time or cost of performance. These visits are to be made prior to the bid opening (Call ahead to the Nature Center at (319) 362-0664). The City is inviting all interested bidders to do this so it will not be necessary later on to make a subsequent claim or request a contract modification because of facts not known when the bid was submitted. The purpose of this site visit is only to become aware of existing conditions and is NOT to be used in any way as a sales call. All questions regarding the bid must be directed to the Purchasing Services Division.

### **AWARD CRITERIA**

Award of bid shall be made to the lowest responsive and responsible Bidder(s) meeting the specifications set forth herein. In addition to the quoted price, the following is a partial list of the criteria that may be used in our determination of vendor responsibility and responsiveness:

- A. Superior quality and adherence to specifications;
- B. Service as specified in these bid documents;
- C. Company's reputation and financial status;
- D. Company's ability to meet the City's Insurance Requirements;
- E. Current lead-time quoted;
- F. Guarantees and warranties;

- I. Ability and/or willingness to work with the City on disposition of material no longer required or otherwise defective;
- J. Favorable references from firms with projects of similar scopes that indicate that the bidder has the ability to carry out the services and provide the products specified;

The City reserves the right to accept or reject any or all bids; to request rebids; to award bids item-by-item, by groups, or "lump sum"; to waive irregularities and technicalities in bids; such as shall best serve the requirements and interests of the City.

### **DESCRIPTIVE LITERATURE**

### **CONTRACT**

If a contract is awarded for the installation of the doors, a Letter of Agreement and a purchase order which are prepared by the City and signed by the City Manager shall become the documents that authorize the contract to begin, assuming the insurance requirements have been met. Each section contained herein, any addenda and the response from the successful bidder shall also be incorporated by reference into the resulting agreement.

All buildings, equipment and furnishings shall be protected by the bidder from damage, which might be done or caused by work

The Contractor shall erect, install, and maintain all temporary public walks, warning signs, barricades, and other protective means as may be necessary for the protection of the public from injury.

### **TERM OF PAYMENT**

The Bidder shall sign his/her Bid correctly, and the Bid may be rejected if it shows any omissions, alterations of the form, additions not called for in the Bid, or any irregularities of any kind.

With the technological changes, Bidders/Offerors may wish to submit bids electronically on their company's pre-printed forms. However, in order to preserve continuity of the City's terms and to allow businesses not having advanced technical capabilities to participate in the bid and quotation process as well, the City will consider replies NOT on the City's form as non-responsive. The Bidder agrees that the delivery will be completed in the time stated, assuming that the time between the Bid Opening and the placing of the order does not exceed the number of days so stipulated. 28. **PATENT GUARANTEE** - Bidder shall, with respect to any device or composition of Bidder's/Offeror's design or Bidder's/Offeror's standard manufacture, indemnify and hold harmless the City, its employees, officers, and agents, from costs and damage as finally determined by any court of competent jurisdiction for infringement of any United States Letters Patent, by reason of the sale of normal use of such device or composition, provided that Bidder is promptly notified of all such actual or potential infringement suits, and is given an opportunity to participate in the defense thereof by the City.
29. **TERMINATION OF AWARD FOR CAUSE** - If, through any cause, the successful Bidder shall fail to fulfill in a timely and proper manner its obligations or if the successful Supplier shall violate any of the covenants, agreements or stipulations of the award, the City shall thereupon have the right to terminate the award by giving written notice to the successful Bidder of such termination and specifying the effective date of termination. In that event, and as of the time notice is given by the City, all finished or unfinished services, reports or other materials prepared by the successful Bidder shall, at the option of the City, become its property, and the successful Bidder shall be entitled to receive compensation for any satisfactory work completed, prepared documents or materials as furnished. Notwithstanding the above, the successful Supplier shall not be relieved of liability to the City for damage sustained by the City by virtue of breach of the award by the successful Supplier and the City may withhold any payments to the successful Supplier for the purpose of set off until such time as the exact amount of damages due the City from the successful Supplier is determined.
30. **TERMINATION OF AWARD FOR CONVENIENCE** - The City may terminate the award at any time by giving written notice to the successful Supplier of such termination and specifying the effective date thereof, at least thirty (30) working days before the effective date of such termination. If the award is terminated due to the fault of the successful Bidder, termination of award for cause relative to termination shall apply. If the award is terminated by the City as provided herein, the successful Supplier will be paid an amount as of the time notice is given by the City which bears the same ratio to the total compensation as the services actually performed or material furnished bear to the total services/materials the successful Bidder covered by the award, less payments of compensation previously made.

The party who is prevented from performing by force majeure (i) shall be obligated, within a period not to exceed fourteen (14) days after the occurrence or detection of any such event, to give notice to the other party setting forth in reasonable detail the nature thereof and the anticipated extent of the delay, and (ii) shall remedy such cause as soon as reasonably possible.
