---

The following questions and/or clarifications were asked relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

**Question:** Due to the fact that these machines are somewhat different than a regular sized excavator we feel that it would be safer and more efficient to include an operator with adequate experience on this type of equipment. Will you accept bids for operated price for the excavator rental?

**Answer:** No, the City is seeking bids for equipment rental only. There are several employees on staff in Water Distribution who have experience operating machines such as the long front excavator specified for this bid.
