

The undersigned bidder has carefully examined the work described herein, has become familiar with the character and extent of the work; has carefully examined the Specifications which are acknowledged to be a part of this Request for Bid, the Bid form, the form of Contract, and the form of Contract Bond; and thoroughly understands their stipulations, requirements and provisions.

The undersigned bidder has determined the quality and quantity of materials required; determined the sources of supply of the materials required; has investigated labor conditions; and has arranged for the continuous execution of the work herein described.

The undersigned bidder hereby agrees to be bound by the award of the Contract and, if awarded the Contract on this Bid, to execute within ten (10) days after notice of award, the required Contract and the required Contract Bonds, of which this Bid and the Specifications shall be a part.

The undersigned bidder further agrees to provide all necessary equipment, tools, labor, incidentals and other means of construction to do all the work, and furnish all the materials of the specified requirements which are necessary to complete the work in accordance with the Bid and the Specifications.

The undersigned bidder declares that this Bid is made without connection with any other person or persons making Bids for the same work, and is in all respects fair and without collusion or fraud.

In submitting this bid, the bidder has examined copies of all the bid documents and the following Addenda (receipt of which is hereby acknowledged);

Addenda Number: \_\_\_\_\_ Date: \_\_\_\_\_      Addenda Number: \_\_\_\_\_ Date: \_\_\_\_\_  
Addenda Number: \_\_\_\_\_ Date: \_\_\_\_\_      Addenda Number: \_\_\_\_\_ Date: \_\_\_\_\_

If awarded, how soon will work begin after receipt of purchase order? \_\_\_\_\_ Business Days

If awarded, how many days to complete the work? \_\_\_\_\_ Business Days

The work proposed to be accomplished under this project consists of the repair and restoration of two flood damaged Montgomery Passenger Traction Elevators at the Fourth Avenue Parkade Facility.

1. Price separately -Float switch in the pit which sends the elevator to the skywalk level. This would be a preventative measure to reduce equipment damage in the future and to prevent anyone from being trapped in a future flood. \$ \_\_\_\_\_

*(state amount using words)*

2. Price separately – Five-year no load test. This is a code item. \$ \_\_\_\_\_

*(state amount using words)*

3. Lump Sum for remainder of project as described in the specifications \$ \_\_\_\_\_

*(state amount using words)*

4. Allowance for unanticipated work related to but not reasonably inferred from the work described in the specification only with **written consent** of Owner. \$ 10,000.00

*Ten thousand dollars and no cents*

*(state amount using words)*

5. Total Bid plus Allowance \$ \_\_\_\_\_

*(state amount using words)*
