The following question and/or clarifications were asked by a bidder relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

Question: When you request 500,000 labels, do you mean the individual labels (1.5" x 8") rather than 500,000 sheets of labels.

Answer: Yes

Question: How many individual labels were ordered on the last order and what was the cost per label?

Answer: Our last order was an emergency purchase of 300,000 stickers at \$0.0205 each to replace inventory lost in the flood of 2008. Our last purchase prior to that was for 300,000 stickers at \$0.018 each.

Question: Was the material used on the last order satisfactory for all weather conditions and if yes, what material was used?

Answer: Yes, material supplied on previous orders has been satisfactory for all weather conditions. The only information we have on the material used is that it is semi-gloss, all weather peel & stick as listed in the specifications.

Question: Who was the vendor on the last order?

Answer: Resourceful Bag & Tag of Palos Heights, IL
