Estimated seasonal usage quantities have been provided on the Bid Submittal Form (page 7). Pricing shall include all freight and delivery charges.

AWARD CRITERIA

Award of bid shall be made to the lowest responsive and responsible Bidder(s) meeting the specifications set forth herein. In addition to the quoted price, the following is a partial list of the criteria that may be used in our determination of vendor responsibility and responsiveness:

- A. Superior quality and adherence to specifications;
- B. Service as specified in these bid documents;
- C. Company's reputation and financial status;
- D. Current lead-time quoted;
- E. Past experience and service provided by bidder;

The City reserves the right to accept or reject any or all bids; to request rebids; to award bids item-by-item, by groups, or "lump sum"; to waive irregularities and technicalities in bids; such as shall best serve the requirements and interests of the City.

TIE BIDS

In case of ties, the City will make the award based on the priority factors as outlined in the City of Cedar Rapids Purchasing Policy Manual.

DESCRIPTIVE LITERATURE

Bidders shall include the manufacturer's literature that describes the basic or standard equipment to be furnished. Descriptive literature will be used in addition to bid specifications in determining award. However, if literature depicts something in conflict with City bid specifications, it is the bidder's responsibility to make that clear, in writing, to the City.

TERM OF CONTRACT

The initial term of the contract shall be for one (1) year anticipated to be October 15, 2009 through October 14, 2010.

The City and the Contractor may renew the original contract for four (4) additional one-year time periods by mutual agreement. Thirty (30) to sixty (60) days notice must be given to renew the contract for additional increments.

A Letter of Agreement, prepared by the City and signed by the City Manager, shall become the document that authorizes the contract to begin, assuming the insurance requirements (if applicable) have been met. Each section contained herein, any addenda and the response from the successful bidder shall also be incorporated by reference into the resulting agreement. Similar products and/or services may be added and pricing negotiated during the term of the contract. Purchase orders will be used for goods and or services equal to or greater than \$5,000.

No price escalation will be allowed during the initial term of the contract. If it is mutually decided to renew beyond the initial period and the Contractor requests a price increase, the Contractor shall provide sufficient written certification and documentation to substantiate the request. Documentation shall include, but not be limited to; actual materials invoices, copies of commercial price lists, provision of appropriate indices, etc which reflect said increases. The City reserves the right to accept or reject price

increases, to negotiate more favorable terms or to terminate without cost, the future performance of the contract.

ESTIMATED QUANTITIES

Total estimated volume for all agencies combined is approximately 140,000 pounds of ice melt. The City does not guarantee that the quantities estimated will be accurate for the upcoming contract period. However, the estimates are as accurate as we are able to determine. Actual quantities, whether lesser or greater than estimated, will not affect the prices as bid and accepted for the term of the contract(s).

CONTRACT ADMINISTRATOR / SITE-BASED ADMINISTRATOR

The contract administrator will be Rebecca Johnson, Purchasing Agent for the City of Cedar Rapids. A complete listing of each site-base administrator (typically a maintenance or facility supervisor) is provided below. AND GENERAL TERMS AND CONDITIONS**

1. **LANGUAGE, WORDS USED INTERCHANGEABLY** - The word CITY refers to the CITY OF CEDAR RAPIDS, IOWA throughout these Instructions and Terms and Conditions. Similarly, Bidder refers to the person or company submitting an offer to sell its goods or services to the CITY. The words QUOTATION, BID and PROPOSAL are all offers from a BIDDER/OFFEROR, but may represent different methods of obtaining price and other information from the BIDDER/OFFEROR.
2. **BID TABULATION AVAILABILITY** - Bids will be evaluated promptly after opening. After award, a bid tabulation summary will be sent to all companies who submitted a bid or returned a Statement of No Bid. **NO BID RESULTS WILL BE GIVEN OVER THE TELEPHONE.** No Bid may be withdrawn for a period of sixty (60) calendar days of the Bid Opening date.
3. **BIDDER/OFFEROR QUALIFICATIONS** - No Bid shall be accepted from, and no contract will be awarded to, any person, firm or corporation that is in arrears to the City upon debt or contract, that is a defaulter, as surety or otherwise, upon any obligation to the City, or that is deemed irresponsible or unreliable by the City. If requested, Bidders/Offerors shall be required to submit satisfactory evidence that they have a practical knowledge of the particular supply/service bid and that they have the necessary financial resources to provide the proposed supply/service as described in the attached Technical Specifications.
4. **BID FORM** - Each Bidder must submit an original Bid and additional copies as required on the forms attached. The Bidder shall sign his/her Bid correctly, and the Bid may be rejected if it shows any omissions, alterations of the form, additions not called for in the Bid, or any irregularities of any kind.

With the technological changes, Bidders/Offerors may wish to submit bids electronically on their company's pre-printed forms. However, in order to preserve continuity of the City's terms and to allow businesses not having advanced technical capabilities to participate in the bid and quotation process as well, the City will consider replies NOT on the City's form as non-responsive. Bidders/Offerors may submit additional information and brochures relative to the product(s) for which they are offering pricing, but those submittals will only be considered in addition to, not in lieu of, any bid submitted on the City's form.

In case of a discrepancy between the unit price and the extended price, the unit price shall prevail.

5. **SPECIFICATION DEVIATIONS BY THE BIDDER/OFFEROR** - Any deviation from this specification **MUST** be noted in detail, and submitted in writing on the Bid Form. Completed specifications should be attached for any substitutions offered, or when amplifications are desirable or necessary. The absence of the specification deviation statement and accompanying specifications will hold the Bidder strictly accountable to the specifications as written herein. Failure to submit this document of specification deviation, if applicable, shall be grounds for rejection of the item when offered for delivery. If specifications or descriptive papers are submitted with

Bids, the Bidder's/Offeror's name should be clearly shown on each document.

6. **BIDDER/OFFEROR REPRESENTATION** - Each Bidder must sign the Bid with his/her usual signature and shall give his/her full business address on the form provided in this Bid.
7. **COLLUSIVE BIDDING** - The Bidder certifies that the bid submitted by said Bidder is done so without any previous understanding, agreement or connection with any person, firm, or corporation making a bid for the same contract, without prior knowledge of competitive prices, and it is, in all respects, fair, without outside control, collusion, fraud or otherwise illegal action.
8. **BROCHURES** - Bids shall include adequate brochures, latest printed specifications and advertising literature, describing the product offered in such fashion as to permit ready comparison with our specifications on an item-by-item basis where applicable.
9. **SPECIFICATION CHANGES, ADDITIONS AND DELETIONS** - All changes in Bid documents shall be through written addendum and furnished to **all** Bidders/Offerors. Verbal information obtained otherwise will **NOT** be considered in awarding of Bids.
10. **BID CHANGES** - Bids, amendments thereto, or withdrawal requests received after the time advertised for Bid Opening, will be void regardless of when they were mailed.
11. **HOLD HARMLESS AGREEMENT** - The Supplier agrees to protect, defend, indemnify and hold harmless the City of Cedar Rapids and its officers and employees from any and all claims and damages of every kind and nature made, rendered or incurred by or in behalf of every person or corporation whatsoever, including the parties hereto and their employees that may arise, occur, or grow out of any acts, actions, work or other activity done by the Supplier, its employees, subcontractors or any independent contractors working under the direction of either the Supplier or subcontractor in the performance of this contract.
12. **DELIVERY DATE** - The delivery time or completion date, as stated in the Bid Form, shall be the time required to deliver the complete item(s) after the receipt of the order or award of the Contract. Where multiple items appear on a Bid request, the Bidder shall, unless otherwise stated by the City, show the delivery time for each item separately.

If only a single delivery time is shown, it will mean that all items included in the Bid can and will be delivered on or before the specified date. The Bidder agrees that the delivery will be completed in the time stated, assuming that the time between the Bid Opening and the placing of the order does not exceed the number of days so stipulated. The right is reserved to reject any Bid in which the delivery time indicated is considered sufficient to delay the operational needs for which the commodity/service is intended.
13. **ACCELERATED PAY DISCOUNTS** - Accelerated discounts should be so stated on your Signature Page. If quick pay discounts are offered, the City reserves the right to include that discount as part of the award criteria. Prices

bid or proposed must, however, be based upon payment in thirty (30) days after receipt, inspection and acceptance. In all cases, quick pay discounts will be calculated from the date of the invoice or the date of acceptance, whichever is later.

14. **AVAILABILITY OF FUNDS** - Purchases under this contract beyond the end of the current fiscal year are contingent upon the appropriation of funds for such purposes during the ensuing fiscal year(s).
15. **BID REJECTION OR PARTIAL ACCEPTANCE** - The City reserves the right to reject any or all Bids. The City further reserves the right to waive technicalities and formalities in Bids, as well as to accept in whole or in part such Bids where it is deemed advisable in protection of the best interests of the City.
16. **PIGGYBACK PROCUREMENT METHOD** – Upon request, the results of this bid must be extended to any other City of Cedar Rapids department. In addition, the opportunity to purchase from this bid may be extended to other government entities within Linn County. Any such usage must be in accordance with the policies of the respective entity and with the approval of the Contractor. The Contractor may determine it is necessary to charge delivery fees for entities located outside of the Cedar Rapids metro area. The City is not an agent of, partner to, or representative of these entities and is not obligated or liable for any action or debts that may arise out of such piggyback procurements.
17. **PURCHASE ORDERS AND INVOICES** - When a bid is awarded and may be used on a Citywide basis or by a cooperative purchasing group, individual purchase orders will be assigned to the successful Bidder(s)/Offeror(s) from the departments and/or jurisdictions which are not part of the CITY, but which are participating in a joint bid. Invoices from the Bidder must be submitted to the actual requestor for each purchase made by a department or outside jurisdiction, and must reflect the corresponding purchase order.
18. **BID CURRENCY/LANGUAGE** - All bid prices shall be shown in US Dollars (\$). All prices must remain firm for the duration of the contract regardless of the exchange rate.

All bid responses must be submitted in English.
19. **PAYMENTS** - Payments will be made for all goods/services delivered, inspected and accepted within 30 days and on receipt of an original invoice.
20. **MODIFICATION, ADDENDA AND INTERPRETATIONS** - Any apparent inconsistencies, or any matter requiring explanation or interpretation, must be inquired into by the Bidder in writing at least 72 hours (excluding weekends and holidays) prior to the time set for the Bid Opening. Any and all such interpretations or modifications will be in the form of written addenda. All addenda shall become part of the contract documents and shall be acknowledged and dated on the Signature Page.
21. **LAWS AND REGULATIONS** - All applicable State of Iowa and federal laws, ordinances, licenses and regulations of a governmental body having jurisdiction shall apply to the award throughout as the case may be, and are incorporated here by reference.
22. **SUBCONTRACTING** - No portion of this Bid may be subcontracted without the prior written approval by the City.

23. **TELEGRAPHIC/ELECTRONIC BID SUBMITTAL** - Telegraphic and/or bid offers sent by electronic devices (e.g. facsimile machines) are not acceptable and will be rejected upon receipt. Proposing firms will be expected to allow adequate time for delivery of their bid either by airfreight, postal service, or other means.
24. **MISCELLANEOUS** - The City reserves the right to reject any and all bids or parts thereof. The City reserves the right to inspect Supplier's facilities prior to the award of this bid. The City reserves the right to negotiate optional items with the successful Bidder.
25. **MODIFICATION OF AGREEMENT** - No modification of award shall be binding unless made in writing and signed by the City.
26. **OVERSHIPMENTS, UNDERSHIPMENTS** - Material shipped in excess of quantity ordered may be returned at Bidder's/Offeror's expense. Similarly, when undershipments are received, the City reserves the right to leave the purchase order/contract open until goods/services are received, or to close the transaction if more cost effective for the City.
27. **CANCELLATION** - Either party may cancel the award in the event that a petition, either voluntary or involuntary, is filed to declare the other party bankrupt or insolvent or in the event that such party makes an assignment for the benefit of creditors.
28. **PATENT GUARANTEE** - Bidder shall, with respect to any device or composition of Bidder's/Offeror's design or Bidder's/Offeror's standard manufacture, indemnify and hold harmless the City, its employees, officers, and agents, from costs and damage as finally determined by any court of competent jurisdiction for infringement of any United States Letters Patent, by reason of the sale of normal use of such device or composition, provided that Bidder is promptly notified of all such actual or potential infringement suits, and is given an opportunity to participate in the defense thereof by the City.
29. **TERMINATION OF AWARD FOR CAUSE** - If, through any cause, the successful Bidder shall fail to fulfill in a timely and proper manner its obligations or if the successful Supplier shall violate any of the covenants, agreements or stipulations of the award, the City shall thereupon have the right to terminate the award by giving written notice to the successful Bidder of such termination and specifying the effective date of termination. In that event, and as of the time notice is given by the City, all finished or unfinished services, reports or other materials prepared by the successful Bidder shall, at the option of the City, become its property, and the successful Bidder shall be entitled to receive compensation for any satisfactory work completed, prepared documents or materials as furnished. Notwithstanding the above, the successful Supplier shall not be relieved of liability to the City for damage sustained by the City by virtue of breach of the award by the successful Supplier and the City may withhold any payments to the successful Supplier for the purpose of set off until such time as the exact amount of damages due the City from the successful Supplier is determined.
30. **TERMINATION OF AWARD FOR CONVENIENCE** - The City may terminate the award at any time by giving written notice to the successful Supplier of such termination and specifying the effective date thereof, at least thirty (30) working days before the effective date of such termination. In that event, all finished or unfinished services, reports,

materials(s) prepared or furnished by the successful Bidder/Offer or under the award shall, at the option of the City, become its property. If the award is terminated due to the fault of the successful Bidder, termination of award for cause relative to termination shall apply. If the award is terminated by the City as provided herein, the successful Supplier will be paid an amount as of the time notice is given by the City which bears the same ratio to the total compensation as the services actually performed or material furnished bear to the total services/materials the successful Bidder covered by the award, less payments of compensation previously made.

31. **FORCE MAJEURE** - For the purpose hereof, force majeure shall be any of the following events: acts of God or the public enemy; compliance with any order, rule, regulation, decree, or request of any governmental authority or agency or person purporting to act therefor; acts of war, public disorder, rebellion, terrorism, or sabotage; floods, hurricanes, or other storms; strikes or labor disputes; or any other cause, whether or not of the class or kind specifically named or referred to herein, not within the reasonable control of the party affected.

A delay in or failure of performance of either party shall not constitute a default hereunder nor be the basis for, or give rise to, any claim for damages, if and to the extent such delay or failure is caused by force majeure.

The party who is prevented from performing by force majeure (i) shall be obligated, within a period not to exceed fourteen (14) days after the occurrence or detection of any such event, to give notice to the other party setting forth in reasonable detail the nature thereof and the anticipated extent of the delay, and (ii) shall remedy such cause as soon as reasonably possible.

32. **ACCEPTANCE OF TERMS BY SHIPMENT** - Shipment of all or any portion of the goods covered by any order placed shall be deemed an acceptance of the bid upon the terms and prices set forth herein.
33. **ASSIGNMENT** - Bidder shall not assign this order or any monies to become due hereunder without the prior written consent of the City. Any assignment or attempt at assignment made without such consent of the City shall be void.
34. **EQUAL OPPORTUNITY** - The successful firm agrees not to refuse to hire, discharge, promote, demote, or to otherwise discriminate in matters of compensation against any person otherwise qualified solely because of race, creed, sex, national origin, ancestry or physical handicap.
35. **SPECIFIC DELIVERY SCHEDULE** - For purposes of this bid and subsequent awards, City holiday closures are typically New Year's Day, President's Day, Good Friday, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day and the day following, Christmas Eve and Christmas Day. Deliveries generally will not be accepted on those dates. (Please note these dates on your calendars for deliveries, sales calls, etc. throughout the year.)

Notice of a late delivery arrival should be made no more than twenty-four (24) hours prior to the originally scheduled time. Otherwise, the City may not be available to facilitate the receiving and the shipment will be returned to you or its originating point.

36. **TIME PERIOD** - Prices are to be honored for the time period stated in your response on the Signature Page.

37. **EXTENSION** - Any or all of the awards made as a result of this Request for Bid may be extended for an additional period of time, up to one year, if mutually agreed between the parties.

39. **FOB POINT** - In terms of loss or damage, as well as where title to the goods is passed, please quote FOB - Destination.
40. **METHOD OF AWARDED/QUOTING** - The City reserves the right to make awards based on the entire bid or on an individual basis. However if you offer your bid based on an "all or none" condition, the City may consider your bid non-responsive and reject the entire bid.
