Suppliers are advised that the Iowa Department of Natural Resources has enacted a requirement that all water treatment or additive chemicals be ANSI/NSF Standard 60 certified. **Compliance with this requirement will be a primary consideration in the evaluation and selection of a BID.** ANSI/NSF Standard 60 certification documentation specifically listing the name of the end supplier is to be submitted at the time of the bid.

Notice shall be provided to the City 30 days in advance of any cancellation or expiration of the supplier's ANSI/NSF Standard 60 certification. If at any time during the contract period, the supplier is unable to provide a current ANSI/NSF certification, the City has the right to immediately terminate the contract.

Documentation Requirements

To facilitate proper evaluation, all bids must include the following:

It is the Supplier's responsibility to notify the City thirty (30) days prior to the start of the quarter if they are requesting a price adjustment. If the Supplier requests a price increase, the Supplier shall provide sufficient written certification and documentation to substantiate the request. Documentation shall include, but not be limited to; actual materials invoices, copies of commercial price lists, provision of appropriate indices, etc which reflect said increases.

6. A full description of the supplier's product quality assurances to include compliance with AWWA Standards and ANSI/NSF 60 Certification information including a copy of the ANSI/NSF 60 Certification listing the end supplier as the certified agent.

The City reserves the right to make changes to the Services to be provided which are within the Project. No assignment, alteration, change, or modification of the terms of this Agreement shall be valid unless made in writing and agreed to by both the City and the Contractor. The Contractor shall not commence any additional work or change the scope of the Services until authorized in writing by the City. Contractor shall make no claim for additional compensation in the absence of a prior written approval and amendment of this Agreement executed by both the Contractor and the City. This Agreement may only be amended, supplemented or modified by a written document executed in the same manner as this Agreement.

SILENCE OF SPECIFICATIONS

Commercially accepted practices shall apply to any detail not covered in this specification and to any omission of this specification. Any technical omissions of functions or types of work within these specifications shall not relieve the Contractor from performing such work when required to the satisfactory completion of the project. Any omission or question of interpretation of the specification that affects the performance or integrity of the service being offered shall be addressed in writing and submitted with the Bid.

AWARD CRITERIA

Award of bid shall be made to the lowest responsive and responsible Bidder(s) meeting the specifications set forth herein. In addition to the quoted price, the following is a partial list of the criteria that may be used in our determination of vendor responsibility and responsiveness:

CONTRACT AWARD

If the evaluation team determines that a contract for some or all of the project should be awarded, the process of awarding the Contract shall be as follows.

1. The evaluation team shall determine which bidder has submitted the lowest and most responsive and responsible bid and make its recommendation to the City Council.
2. The City Council shall consider a resolution awarding the contract and authorizing the City Manager to sign the Letter of Agreement on behalf of the City. **Note**, as provided for by Section 4.03 of the Cedar Rapids Municipal Code, no contract shall be deemed to be created and exist, unless and until the City Council adopts a resolution awarding the contract and authorizing the City Manager to sign the Letter of Agreement.
3. The City Manager shall execute the Letter of Agreement.

If the evaluation team determines that all the bids received should be rejected, the bidders shall be notified by the Purchasing Services Division accordingly. At that point, the City may or may not re-bid the project.

TIE BIDS

In case of ties, the City will make the award based on the priority factors as outlined in the City of Cedar Rapids Purchasing Policy Manual.

The City reserves the right to accept or reject price increases, to negotiate more favorable terms or to terminate without cost, the future performance of the contract.
