The following question and/or clarifications were asked by a bidder relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

### **Update to clarification in Addendum #1:**

Fleet Services is interested in pricing for ~~both out-front and~~ mid-mount mowers with side or rear discharge. ~~Bidders are encouraged to submit bids for both types of mowers if available.~~

~~If submitting multiple bids please copy the Bid Submittal Form and clearly indicate which type of mower you are bidding on each form.~~

The specifications included with the Request for Bid describe the type of mid-mount mower the Fleet Services Division intends to purchase. Please disregard the description of "out-front". Bids are requested for mid-mount mowers only.
