## GENERAL TERMS AND CONDITIONS OF SALE AND PURCHASE

1. The laws of the State of Iowa, U.S.A., shall govern in connection with the formation, performance and the legal enforcement of any purchase order placed.
2. The firm pricing stated on the bid and purchase order shall not be changed without the approval of the department originating both the bid and order. If mutually agreed between Buyer and Seller, bid prices may be extended an additional twelve (12) months beyond the original expiration date.
3. Unless otherwise agreed between Buyer and Seller, the FOB point on any shipment to the City, in terms of loss or damage, is **Destination**. The Seller must confirm that charges for freight will be included in the price of the goods at the time of the quote/bid.
4. The City is not obligated to keep nor pay for overshipments of products; neither is the City obligated to make payments on goods which are shipped in a lesser quantity than was originally ordered or shipped in partial quantities, particularly if not having a complete shipment precludes the City from performing its work.
5. Payment will be made for all products delivered, inspected and accepted within thirty (30) days and on receipt of an original invoice. When cash discounts are offered, the time period will start from the date of receipt of invoice or from date of arrival of acceptable products at the destination of the ordering department, whichever is later.
6. The City shall deem to receive goods procured hereunder when such goods have been deposited at the City's assigned dock or place of delivery and all bills of lading or other shipping papers which require signature by the City have been signed.
7. In spite of physical receipt, the City shall deem to accept goods procured hereunder only after actual inspection for conformity or the passage of ten (10) days from receipt, whichever occurs first.
8. Goods are subject to City inspection upon arrival. Goods rejected due to failure to meet specifications, either when shipped or due to defects or damage in transit may be returned for credit and are not to be replaced except with the approval of the City department placing the original order.
9. Any ensuing purchase order is an ACCEPTANCE of your OFFER as stated in your quote/bid. When a purchase order is ACCEPTED as an OFFER TO BUY, you must provide us with a written or verbal acknowledgement of a promised ship date and freight carrier, or advise us that merchandise has shipped or will ship on a particular time and date and the method of shipment.
10. In the event of supplier's failure to deliver when specifically promised and as agreed between Buyer and Seller in terms of quantity, quality, price and other requirements, the City reserves the right to cancel the purchase order, or any part thereof, without prejudice to its other rights. It is further agreed that the City may return all or part of any shipment so made and may charge Seller with any loss or expense as a result of such failure to deliver as promised.
11. The City of Cedar Rapids, Iowa is exempt from sales tax and certain other use taxes. Taxes which appear on invoices and for which the City is not responsible will be deducted from invoices before payment is made, without penalty to the City. Exemption numbers are available from the City Controller-Auditor's Office.
12. The Seller agrees not to refuse to hire, discharge, promote, demote, or to otherwise discriminate in matters of compensation against any person otherwise qualified solely because of race, creed, sex, national origin, ancestry or physical disability.
13. Neither party to this contract may assign any portion of the agreement without prior written consent of the other party.
14. The supplier expressly warrants that all goods supplied hereunder shall be merchantable within the meaning of Article 2-314(2) of the Uniform Commercial Code in effect on the date of the quote/bid in the State of Iowa. Additionally, the goods shall conform to specifications, drawings, and other descriptions and shall be free from defects in materials and workmanship. All other applicable provisions and remedies of the Uniform Commercial Code relating to both implied and expressed warranties are herewith referred to and made part of these terms and conditions.
15. All parties to this bid and any ensuing purchase agree that the representatives of both Buyer and Seller are, in fact, bona fide and possess full authority to bind said parties.
16. All bid prices shall be shown in US Dollars (\$). All prices must remain firm for the duration of the contract regardless of the exchange rate. All bid responses must be submitted in English.
17. Each bidder shall submit an original Bid on the forms attached. The bidder shall sign his/her Bid correctly, and the Bid may be rejected if it shows any omissions, alterations of the form, additions not called for in the Bid, or any irregularities of any kind. The City reserves the right to reject any or all Bids. The City further reserves the right to waive technicalities and formalities in Bids, as well as to accept in whole or in part such Bids where it is deemed advisable in protection of the best interests of the City.
18. In case of a discrepancy between the unit price and the extended price, the unit price shall prevail.
19. Upon request, the results of this bid must be extended to any other City of Cedar Rapids department. In addition, the opportunity to purchase from this bid may be extended to other government entities within Linn County. Any such usage must be in accordance with the policies of the respective entity and with the approval of the Contractor. The Contractor may determine it is necessary to charge delivery fees for entities located outside of the Cedar Rapids metro area. The City is not an agent of, partner to, or representative of these entities and is not obligated or liable for any action or debts that may arise out of such piggyback procurements.
20. The supplier agrees to protect, defend, indemnify and hold harmless the City of Cedar Rapids and its officers and employees from any and all claims and damages of every kind and nature made, rendered or incurred by or in behalf of every person or corporation whatsoever, including the parties hereto and their employees that may arise, occur, or grow out of any acts, actions, work or other activity done by the supplier, its employees, subcontractors or any independent contractors working under the direction of either the supplier or subcontractor in the performance of this contract.
21. For PRODUCTS or SERVICES requiring successful Bidder's presence on any City property, the successful Bidder shall, during the term of this Agreement and until completion thereof, carry and maintain both Workers Compensation and General Liability Insurance. The successful Bidder shall furnish the City with a copy of the Declaration page (normally page one of your policy) of their insurance policy if requested by the City.
22. All documents submitted with any bid or proposal shall become public documents and subject to Iowa Code Chapter 22, which is otherwise known as the "Iowa Open Records Law". By submitting any document to the City of Cedar Rapids in connection with a bid or proposal, the submitting party recognized this and waives any claim against the City of Cedar Rapids and any of its officers and employees relating to the release of any document or information submitted. Each submitting party shall hold the City of Cedar Rapids and its officers and employees harmless from any claims arising from the release of any document or information made available to the City of Cedar Rapids arising from any bid opportunity.
