

ADDENDUM #2

To: All Companies Interested in Submitting a Bid
From: Rebecca Johnson, CPPB, Purchasing Agent
Bid: Transfer Switches (Bid #0809-048); Dated: August 20, 2009
Subject: Addendum #2 (1 page)
Date: August 27, 2009

The following question and/or clarifications were asked by a bidder relative to the above-listed Request for Bid. This memo is sent for clarification to all companies to whom the bid was sent.

Question: The specs on this bid call for a *manual* transfer switch. All I am able to quote is an *automatic* transfer switch. The automatic transfer switch is labor saving, but of course costs more. Have you seen/heard if other bidders are bidding automatic switches?

Answer: The Traffic Engineering Division requires a manual switch for this request for bid.

Question: Can I get a list of bidders you sent this request for bid out to?

Answer: In addition to posting on our website at www.cedar-rapids.org/purchasing/bids.asp, the Request for Bid was sent directly to the following companies:
